ЛПХ «Важная птица»

Ekaterina Tishuk // farm "Important bird«

Основная деятельность- разведение перепелов.

Производим маринованное, копченое и свежее яйцо, а так же охлажденное и копченое перепелиное мясо.

Разводим карликовых камерунских коз.

The main activity is quail breeding. We produce pickled, smoked and fresh eggs, as well as chilled and smoked quail meat.

We breed dwarf Cameroon goats.
